The Committee is required to prepare and publish an annual financial plan. (1997)

GENERAL

9. GENERAL

(a) Club Rules shall take precedence over Branch Rules. In cases of dispute the decision of the Executive Officers shall be final, subject to appeal at the next Annual General Meeting.

(b) Alterations to Club Rules shall be made only at an AGM or a meeting of all members specially convened for the purpose.

(c) If for any reason a Branch has to close down the assets of the Branch shall be transferred to the Club. Unexpired Membership shall be transferred to H.Q Branch.

(d) If for any reason the Club has to close down, a properly audited Balance Sheet shall be prepared and sent to each member. A specially convened General Meeting shall be called to decide the method of closure, settlement of debts and disposal of assets.

(e) Every Branch shall submit to the General Secretary at the end of the financial year a Bank balance complete with a list of creditors and debtors. Also after the Branch Annual General Meeting submit a list of elected officers.

(f) The Branch Officer responsible for dealing with completed membership forms must submit them to the Club Membership Secretary not later than one month after receipt from the member.

Members who have not renewed their membership by the due date shall receive one further copy of Nacelle (2003)

A member who does not renew within three months shall be deemed to have ceased to be a member.

After three months, any membership application from the said member will be treated as 'new' as opposed to 'renewal', with a new number and date allocated.

(g) All Branches must have at least two and not more than three persons appearing on the bank mandate and therefore enabled to sign cheques or transfer funds who shall be members in good standing and elected to office within the Branch. (2012)

(h) A three person Sub-Committee comprising of the elected Social Secretary and two co-opted Club members to organise all 'national Club Rallies'. They may call upon a Branch or Branches to assist in running the Rallies, in which case, 25% of any profit from the events **CAN** be distributed *pro-rata* to those Branches.

(i) When a Branch promotes an event on behalf of the Club, all income and expenditure will be processed through the Club Accounts held by the General Treasurer using the main Club Bank Account and utilising separate codes (headings) within the accounting software. The branch will receive a percentage of the net profit at a rate to be agreed from time to time. (2010)

(j) A half or quarter page in 'Nacelle' will be allowed free of charge to Branches to advertise events.

(k) Public Liability Insurance shall be arranged by the Club in order to protect the Club, its Officials and Members from claims arising out of Club and Branch activities.

Affiliation to the BMF includes cover for members.

Affiliation to the ACU gives Public Liability cover especially at Rallies where non-members are invited. Basically Public Liability Insurance provides cover for compensation and legal costs incurred in defending the action and paying out if a claim is proved (normally in a court of Law). To take advantage of this insurance, it is necessary that the organisers of the event should notify the General Secretary of the event at least TWENTY EIGHT (28) days in advance of it taking place. Details of where and when the event will take place, basic information of the type of event, (rally bike show, etc.), approximate number of people expected to attend and the name and address of the organiser must be supplied. All this information MUST BE IN WRITING. It is a condition of the insurance that adequate precautions are taken by the organisers to prevent anyone coming to harm, and these may need to be proved to have been in place in the event of a claim. For example, at bike shows all machines should be roped off and parked on a firm surface to prevent a bike from falling on a member of the public. At rallies, tents should be pitched far enough apart to prevent the spread of fire. Obviously at all events there should be adequate fire precautions. Safety is paramount. A photograph of the display would assist if a claim is made.

(l) Club Rules will be available on the Club's internet site. Copies will be provided to individuals by the General Secretary on request. (2012)

(m) Magazine Subscription. This subscription is open to any person. This only allows the person to receive the Club Magazine each month. Subscribers are not members of the Club, do not receive any membership cards, and do not benefit from any privileges or services available to other members. The Fee for Magazine Subscription is the same as that of a Full Member (2000)
